Doug McCormack

Chief Executive Officer

Mr. McCormack has spent the past eighteen years working at the intersection of politics, policy, law and business assisting organizations and corporations, including early stage companies, in the medical technology and health care industries achieve strategic growth objectives. A recognized Washington D.C. advocate and strategist, Mr. McCormack has achieved extraordinary success on behalf of a range of interests in the O&P field, including: Amputee Coalition of America, American Academy of Orthotists & Prosthetists, Otto Bock HealthCare, Hanger Orthopedic Group and Survivor Corps (formerly Landmine Survivors Network).

Prior to co-founding Orthocare Innovations, Mr. McCormack was a partner in a national law firm practicing as a public policy and health care lawyer in the firm's Washington office. Mr. McCormack studied Political Science and Biomedical Engineering at the University of Southern California, and earned his Juris Doctorate from the American University Washington College of Law. He serves on the boards of directors of Survivor Corps and Oklahoma Bioscience Association. He recently completed a five-year term on the Defense Health Board as an appointee of the U.S. Secretary of Defense.
